- d. The first day the boats will be released in the order their entries were received by the tournament director and the second day the order will be reversed regardless of what division they are competing in

(OPEN or LIMITED DIVISION)

5. Tournament Format

- a. SDWC will be a two-day tournament unless delayed or shortened due to weather or unforeseen circumstances. The Boundaries are north to Highway 12 bridge (under but not beyond) and south to Highway 212 bridge (under but not beyond) The Moreau River is included within the boundaries.
- b. Once a tournament day begins, a weigh-in will occur unless the day is cancelled by tournament officials. If cancellation occurs, all contestants will be notified via marine band radio and or by cell phone message and a weigh-in will not be conducted. Upon notification, all boats will cease fishing and return immediately (advising all boats they encounter on the return). All boats should “echo response” the official cancellation notice to assure all hear the message. All boats must contact SDWC officials as soon as they return to safe harbor.
- c. Contestants will check out each morning, and check in each afternoon at the designated location with the official timekeeper. At registration each team will receive a boat number which must be present in the boat at all times and shown to tournament officials upon request. In event that a tournament boat has maintenance issues and cannot proceed in time to make the official weigh-in time they must call or text the Tournament Director immediately. They must declare the number and size of the fish in their possession. The time of contact will be noted. Only once this has been done may they radio text or call for assistance from any angler. The assisting boat must contact the Tournament Director by phone or text and declare the number of fish and size onboard their boat prior to loading the team member(s) and their fish onto the rescue boat. The rescue boat must then immediately and directly proceed to and report to check in boat and bump station. The official weigh-in time still prevails. Contestants who return late will forfeit their weight for the day. Contestants must stay in contact with their boat, but may leave their boat for emergencies, to participate in rescue operations, or to use the bathroom. One team member must stay in contact with the boat (unless an emergency prohibits).
- d. On tournament days, teams must stay off tournament waters before and after tournament hours except to navigate in a straight line to the launch ramp.
- e. Pets are permitted in boats during competition.
- f. Contestant boats may not come along side each other during the tournament hours (except during emergency assistance reported to tournament officials)

6. Equipment and Tackle

- a. Artificial lures and live bait are allowed.
- b. All fish must be caught on hook and line. A maximum of two lines per contestant will be allowed.
- c. Teams will provide a boat with all local, state and regional safety equipment (including type IV throw cushion, horn or whistle and fire extinguisher). In addition, each boat is required to have a fully functional marine band radio.
- d. All marine band radios must be functional and tuned to the SDWC designated channel at all times during the tournament.
- e. Phone communications are prohibited. Cellular phones must be turned off during competition hours but may be used for safety or emergency calls. **IN THE EVENT OF A LIFE AND DEATH EMERGENCY CALL 911 FIRST AND THEN NOTIFY TOURNAMENT OFFICIALS.** For all other tournament emergencies, contact SDWC officials first.

7. **Safety**

- a. Each competitor must observe safe boat conduct, no-wake zones, and local navigation rules and demonstrate boating courtesy at all times.
- b. Each competitor is required to wear a Coast Guard approved life preserver, which must be fully secured whenever running above trolling speed.
- c. Use of alcohol or drugs (other than prescription) is strictly prohibited.
- d. The tournament director may declare any entrant or participant ineligible to compete who may hinder or endanger the safety and well-being of any contestant or be able to perform safety functions.
- e. If lightning is visible, use common sense. Proceed to safe water/shore as necessary.

8. **Sportsmanship**

- a. All anglers are expected to conduct themselves in a courteous and sportsmanlike manner at all times.
- b. Any contestant's conduct or actions, which negatively reflect on the SDWC, the natural resources, other contestants, sponsors or host community at any time, will be subject to disqualification.

9. **Rules and Interpretation**

- a. The Tournament Director will interpret rules according to the spirit and intent of the rule and his decision shall be final.
- b. Contestants will be responsible for knowing and abiding by all SDWC, STATE, and local rules and regulations, which pertain to the tournament waters.
- c. All protests must be made in writing with the tournament director within 30 minutes of the completion of the daily weigh-in. After review the tournament director shall rule on the matter and take appropriate action in accordance with the tournament rules.

10. **Be Advised:** Under South Dakota law, no fishing tournament sponsor or fishing professional is liable for an injury to, or the death of, a participant resulting from the inherent risks of fishing, pursuant to 20-9-47 to 20-9-51 of South Dakota Codified Laws.

Note: ALL FISH AT THE BUMP STATION AND WEIGH-IN WILL BE DONATED TO CHARITY
